WEBINAR: Income Protection for the Dental Hygienist!

June 11, 2019 7:00-8:00 pm

Presenter: Paul Munnis, Financial Advisor with Haslett Financial Inc.

Cost: Complementary

What if you were in a car accident, fell off of a ladder or suffered from a short term or long-term disability and were unable to work? Does your family depend on your income? Would you and your family be able to meet all of your financial obligations?

This 1-hour webinar will provide information about the various types of income replacement for dental hygienists and how to make the best choice about ensuring your family has financial security.
