(7:00 pm – 8:00 pm (join and leave anytime))
- Cost?** Complimentary and no need to pre-register
- How to access?** Online only – click on this link: <https://us02web.zoom.us/j/6044154559>
- Who to contact if you have questions?**
Wendy Jobs, Manager of Dental Hygiene Practice wjobs@bcdha.com
or at 250-960-0424 before or during the meeting

Device & access information

DEVICE SELECTION: If you are using a desktop PC, your computer must have a speaker and a microphone (like what you would need to use Skype on your computer).

If you are using a Mac computer, smartphone, or a smart device, you can use the earbuds or headset that you would use to make a phone or video chat conversation.

A webcam is helpful but not essential. If you have a webcam, then we will be able to see one another.
