

London Eye Centre is pleased to offer members of the BC Dental Hygienists' Association* the corporate rate for laser vision correction.

Since 1985, London Eye Centre has been a world leader in **laser vision correction**. We specialize in all-laser procedures that eliminate the blade in conventional LASIK.

Our experienced surgeons can correct most vision conditions safely—even strong prescription – with excellent long-term results. There is no better time to begin living your life free of glasses and contact lenses.
