

## Exclusive Offer for Allied Health Partners

BC Doctors of Optometry values a collaborative partnership and wishes to support the British Columbia Dental Hygienists Association (BCDHA) members and their staff with an exclusive offer on prescription safety eyewear. As a BCDHA member, dental hygienists can purchase CSA approved prescription safety eyewear at exclusive prices.

All glasses meet or exceed current WorkSafeBC and CSA compliances, including increased impact resistance lens properties and side protection against flying airborne particles and viral droplets such as COVID-19.
