

London Eye Centre is pleased to offer members of the BC Dental Hygienists' Association\* \$125 off per eye for laser vision correction.

*Members will be required to show proof of membership with BCDHA or that they work in a dental office.*

Since 1985, London Eye Centre has been a world leader in **laser vision correction**. We specialize in all-laser procedures that eliminate the blade in conventional LASIK.

Our experienced surgeons can correct most vision conditions safely- even strong prescription – with excellent long-term results. There is no better time to begin living your life free of glasses and contact lenses.

Call 604.601.2561 to arrange your complimentary consultation.
